

## Citizen science on the marine environment: "E...

B7600 DRN Mar del Plata, Argentina

Description of citizen participation: The idea behind "El Veril del Banco de Afuera" (Outer Bank Reef) lies in the collaboration between the National Institute for Fisheries Research and Development (INIDEP in Spanish) and the "Escualo" Underwater Activities Center (CASE in Spanish) diving club in collecting information on the marine environment in order to coordinate an integrated monitoring effort towards ...
